Step 1: Click the link in your email instructions or click in the top block on the SMPTE home page.
Step 2. Enter the primary email address in your SMPTE account

Enter your email, then click Submit.
Step 3. Wait for your email from SMPTE

• The email from SMPTE will have the Subject line: **Activate your SMPTE Account**

• The email should come quickly, but if it doesn’t come within 15 minutes, please make sure to check your spam/junk mail.
Step 4: Click the link in the email to set your password

Subject: Activate your SMPTE Account

Welcome (Member name here!),

Please activate your SMPTE account by setting your password at the following url:

Click the link in your email to activate your account. This link will not work for you!
Step 5: Create your password

Create your password, then re-enter it to confirm.
Step 6: You are authenticated in your new account – and you are done.

My Account
